Charting the Course for Emergency Communications

This **Call for Papers** invites APCO members, business professionals, industry associates, and educators to submit a written proposal for development of an educational program, workshop, or panel discussion for the **2017 APCO Atlantic Chapter Conference and Exposition**.

The conference will be held October 22-25, 2017 at the Samoset Resort by the Sea in Rockport, Maine. Conference attendees include frontline Telephone and Radio Telecommunicators, Supervisors, Managers and Directors, Radio/IT Technicians and Managers, and Emergency Management personnel involved in public-safety communications.

The 2017 Atlantic Chapter Conference and Exposition, is seeking high-quality and unique presentation sessions for a variety of attendees and interests. Presentation sessions should be relevant and timely to 9-1-1 center operations and/or the public-safety communications industry. Proposed sessions typically fit into the following categories: Frontline Operations; Supervision and Management; Health and Wellness; Public Information and Education; Technology; and General/Special Interest. Presentations are normally 50 minutes long, however, a 1 hour, 50 minute session will be allowed if the topic requires additional time.

From the Member and Chapter Services Committee

Dear APCO Officers and Members,

The Member and Chapter Services Committee (MCSC) supports the membership at the chapter level by building relationships with chapter leaders. Each MCSC member is assigned to represent Chapters and throughout the year they maintain information flow with the chapter leaders. We are here to keep APCO members informed of association policies, governance guidelines, and other APCO programs. Just as important, we push issues from the local level to the APCO leadership level. We work for the people and strive to make sure you receive all that you can from your APCO membership.

MCSC members work diligently to get program questions or information out to the local chapters, gather the needed feedback, and get answers back to the APCO organization. We share information about programs, training, and initiatives supported by APCO International as well as upcoming events through the monthly MCSC e-Newsletter.

MCSC works to build relationships among chapter leaders through training classes and webinars hosted during the year. We also assist the APCO organization staff to provide chapter leader training and workshops at the annual conference. But, we need your help to make these things happen. You can assist us by:

- Keeping your Chapter officer list up-to-date with APCO headquarters.
- Submitting information about upcoming events or programs in your Chapter for the e-Newsletter.
- Keeping the contact information of your MCSC representative handy so if you have questions or need anything you can call on us to help.
- Participating in chapter officer calls, webinars, and training so that you are up-to-date with the current information.
- Letting your MCSC representative know who to contact in order to get information about your chapter if the President of your Chapter is not the primary contact person..
- Looking for the monthly e-Newsletter and providing us with feedback through your chapter.

We are very fortunate to have members on the MCSC who support APCO and are willing to volunteer their time to make sure that APCO can meet its vision to strengthen our communities by empowering and educating public safety communications professionals. As a committee, we look forward to continuing to work with you!

Sincerely,

Member and Chapter Services Committee
